## About the Trust :

Established in the year 1969 by the Naranbhai Patel-Khanpur, Prabhuhai Patel - Boriavi, Fulchandbhai Shah - Sarsa and Motibhai Patel, the Trust functions with the sole objective of imparting value-based excellence in education in the fields of Humanities, Commerce, Management, Science, Paramedical and Information Technology by offering courses of KG to PG and also doctoral research in various subjects to the aspiring youth of the nation. The aim is to provide specialized training with experienced staff and excellent infrastructure combined with practical exposure to create excellent citizens.

Today, the trust is managed by Shri Bhikhubhai N. Patel as a Managing Trustee with a team of Shri. Ghanshyambhai Shah, Shri Rameshbhai Patel, Smt. Mrudulaben Patel, Shri Anveshbhai Patel, Shri Pankajbhai Patel and Shri Rakeshbhai Shah as Joint Secretaries.

The trust aims to run institutions that deliver educational programs beyond the limits of the academic curriculum. The expectations are high, not only from our pupils but from the staff as well. Each one must recognize the value of a caring and motivational atmosphere and be aware of the need to work in partnership with one another and with parents for the future success of the students as they prepare for the opportunities, responsibilities and experiences of adult life. In fact, the all-round education offered in the classroom, the dormitories, the playgrounds and the campus in many ways encapsulates a training that has all the richness and flavor of the ancient Indian systems and all the vision and breadth of modern education which was envisaged by the founder trustees.
